Testimonials

From the very first tour we took at the Balboa Senior Living house, we knew it was a place for my dad who was sick and dying. Their staff is amazing, not only they took care of my dad, they also arranged hospice service for him, so he can live with no pain and with dignity his last months. Thanks guys for all your help we got during that time!

This little gem called Balboa Senior Living is amazing. They provide good vibe and perfect amenities and support. Staff is friendly and accommodating, which is very important to know your loved one is safe and taking care of daily. Every time I go there to visit my mom I am thrilled at the choice we made choosing this home. Thanks
